Umzinyathi Development Agency equipped the youth with Solar energy training

Umzinyathi District Municipality Development Agency in partnership with Moses Kotane Research Institute and Mantec Foundation have equipped 100 young people of uMzinyathi with renewable solar energy training.
During the training the youth had an opportunity to learn more about solar energy technologies, sustainability pratices, renewable energy solutions as well as practical installation experience.
UMzinyathi Development Agency CEO S Ntombela said when they heard of this splendid opportunity they decided to grab it with both hands as we all know the energy crisis we are currently facing.
“The training has helped the youth to turn the energy crisis into a new economy for the district whilst creating much needed job opportunities.The trained youth will now be helped by the agency to open-up their solar businesses. They will be also closely monitored by senior technicians for a certain period untill their businesses are able to stand on their own.
“ We wish all our trainees the best of lucky as they are transitioning from being employment seekers to be employers,” he said.
Ntombela said there are high hopes that this solar enterprise concept will be successful and repricate. “We really hope it does not end with this first batch as we encouraged the youth to take part in these initiatives designed to empower them,” he said.

i-MPAC ihlola amaprojects asephelile.

Luqhubekile uhambo lwama khansela e- portfolio yakwa Technical services oluwumjikelezo wokubheka ukuthi ama projects ngabe ayaqhubeka ngendlela yini. Namahlanje kuhanjelwe endaweni yase Nquthu kwaThelaphi, Enhlopheni, kwaJama, kanye naseHlathi dam ukubheka ukuthi umsebenzi kanye nezinqinamba zinjani.

Umsebenzi uqhubeka kahle ezindaweni eziningi noma kunezinqinamba zokuthi kwamanye ama projects abantu bazixhumela amanzi ngoku ngemthetho nokwenza ukuthi indlela yokuhamba kwamanzi aya emphakathini i phazamiseke. Oyinhloko yomnyango wakaTechnical uMnu T Buthelezi unxusa ukuthi umphakathi uyeke ukuzixhumela amanzi ngokunge mthetho ngoba kuyayiphazamisa nenqalasizinda nokwenza sibuyele emuva njalo. Utuse ukuthi ozibona yena enamandla okuthi ufuna amanzi ekhaya akasondele phela emahhovisi kamasipala azobhalisa afakelwe imitha ukuze naye ezokhokhela amanzi ngoba kuchaza ukuthi uyakhona ukuwakhokhela.

Iphalamende lamadoda

Libe yimpumelelo iphalamende lamadoda elibanjelwe eNquthu kwaKhiphinkunzi enkantolo yenkosi. Kuleli phalamende belihanjelwe amadoda ezodingida izinkinga abhekene nazo ekuphileni kwawo. How to avoid job scams

Genuine communication related to recruitment by Umzinyathi District Municipality will never require the job seeker to make payments at any point in the recruitment process.

We have become aware of a number of job scams in which fraudsters try to extract personal information and money from people looking for jobs with Umzinyathi District Municipality. We've put together this four-step guide to help you identify fake job postings and correspondence and help us all to beat these recruitment frauds.

How to spot a fraudulent job posting, email or other recruitment-related communication:

Someone asks for money.
At Umzinyathi District Municipality we will never ask for money from you – in any circumstances. If someone is asking you to send them money, it's definitely fraud.

You receive an email from a non-Glencore address.
We always use official Umzinyathi District Municipality email addresses, such as firstname.lastname@umzinyathi.gov.za, or firstname.lastname@umzinyathi.hov.za

Someone asks for bank details before we've made an official job offer.
We never ask for your bank details until we've made an official offer, and we will always ask for your details using an official communication channel.

You receive a job offer for a role you've not applied for.
Before you can receive a job offer, you will always have applied for the job first, and will have been through our selection process, including a face-to-face interview. If this hasn't yet happened, t hen it's not an official job and you should not take it any further.
